

PHOTOGRAPHY

You don't need to be a photographer and / or own an expensive camera to produce a nice picture. Your mobile phone will probably have a very good camera on it. Have a go at the following classes. The judge is looking for photos which reflect the title and description, so many pictures could fit and win without being taken by an expert.

51	Feel Free	Set of 3 photos on any subject of <u>your choice</u> . The judge will be looking for a clear link between the photos. A title of no more than 6 words <u>may</u> be used.
52	Now and Then	Two photos reflecting the class title, showing the same subject at different stages in time. Subject could be a person, animal, landscape, garden, building etc. The judge will be looking for a clear link between the photos.
53	Transport	A single photo showing <u>any</u> aspect of transport. A cryptic title of no more than 6 words <u>may</u> be used.
54	Humorous	Single photo to make the judge smile. A cryptic title of no more than 6 words <u>may</u> be used. Remember this is a family show.
55	Weather	Single <u>or</u> pair of photos showing any aspect of the weather. If paired, the photos may show the same aspect or a different one. Could be the same landscape seen in two different types of weather.
